

Media: Harian Jogja

Hari: Rabu

Tanggal: 01 Agustus 2018

Halaman: 14

The article discusses the efforts of the City of Yogyakarta to streamline the permit application process. It quotes Heroe Poerwadi, Vice Mayor of Yogyakarta, who emphasizes the importance of making it easier for investors to obtain permits. He states that the city will expedite the process and ensure all required documentation is provided. The article also mentions the need for environmental impact assessments (IMB) and other studies before issuing permits. The author, Abdul Hamid Razak, signs off at the bottom.
