The clipping is from the 'YOGYAKARTA' section of 'KELURAHAN REJOWINANGUN'. The main headline is 'Rumah Data Dikembangkan di Kampung Keluarga Berencana RW08'. The article discusses the development of a 'Rumah Data' (Data House) in the RW08 village of Kotagede. It mentions that the house will serve as a center for community data, including birth, death, and marriage records, and will be used for various community activities. The article also mentions that the house will be managed by the local community and will be used to provide information and services to the community. A photo shows a group of people standing in front of the 'Rumah Data' building. Below the photo, there is a caption: 'Penyerahan tambahan sarana dan prasarana dari Dinas Pengendalian Penduduk dan Keluarga Berencana Kota Jogja dan BKKBN Perwakilan DIY kepada Rumah Data Kampung KB RW08 Rejowinangun, Kecamatan Kotagede, Selasa (21/7)'. The article is signed by 'Lugas Suberkah'.
